

COMPANY SHUTDOWN COVID-19

Dear Customer,

On April, 10 the Italian government has issued a further Prime Ministerial Decree declaring the extension of the closure of all non-essential and non-priority production activities for the national economy up to May 3, 2020 included (DPCM of 10/04/ 2020).

Although our company is not included in the list of production activities deemed essential (Ateco/ NACE code 29.32), we inform you that during this closing period we will be partially active to guarantee goods and services to the supply chains of those activities considered as essential, according to the aforementioned Prime Minister's Decree.

Therefore, in compliance with the provisions of the competent Authorities, the total reopening is scheduled for 04/05/2020, unless further notice.

Again, we wish to confirm you our continuous and constant commitment to support our customers in all circumstances and at this purpose, for any communication and emergencies your usual business contact will be happy to support you.
